Fig. 1: Reported COVID-19 deaths in ND through Oct. 3rd

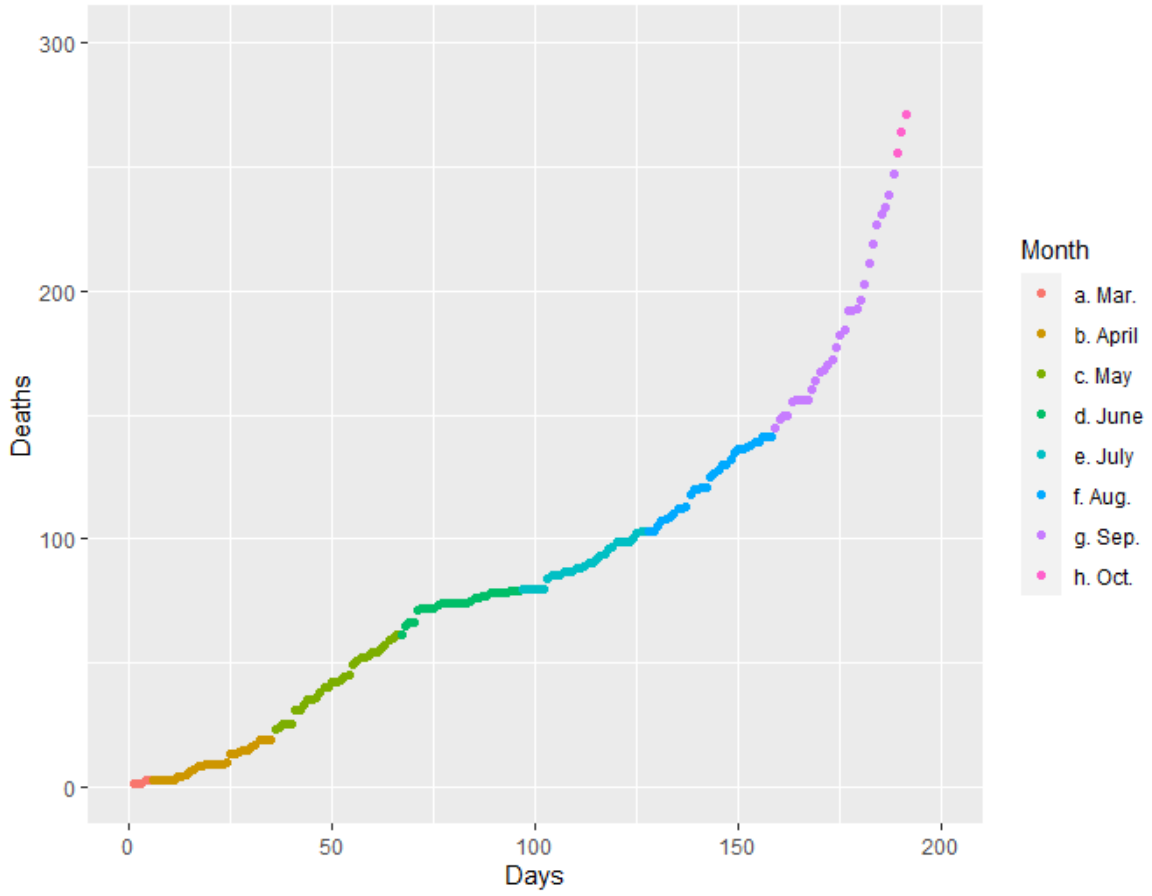

Fig. 2: Deaths through Oct. 3 if we lacked summer lull
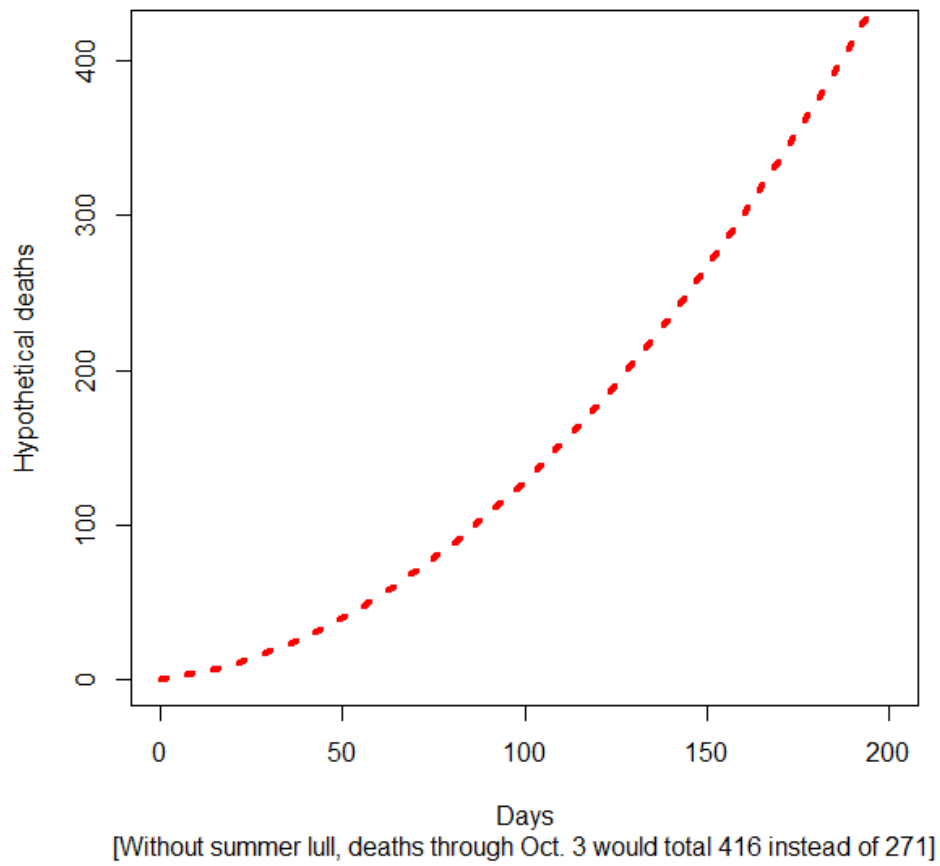

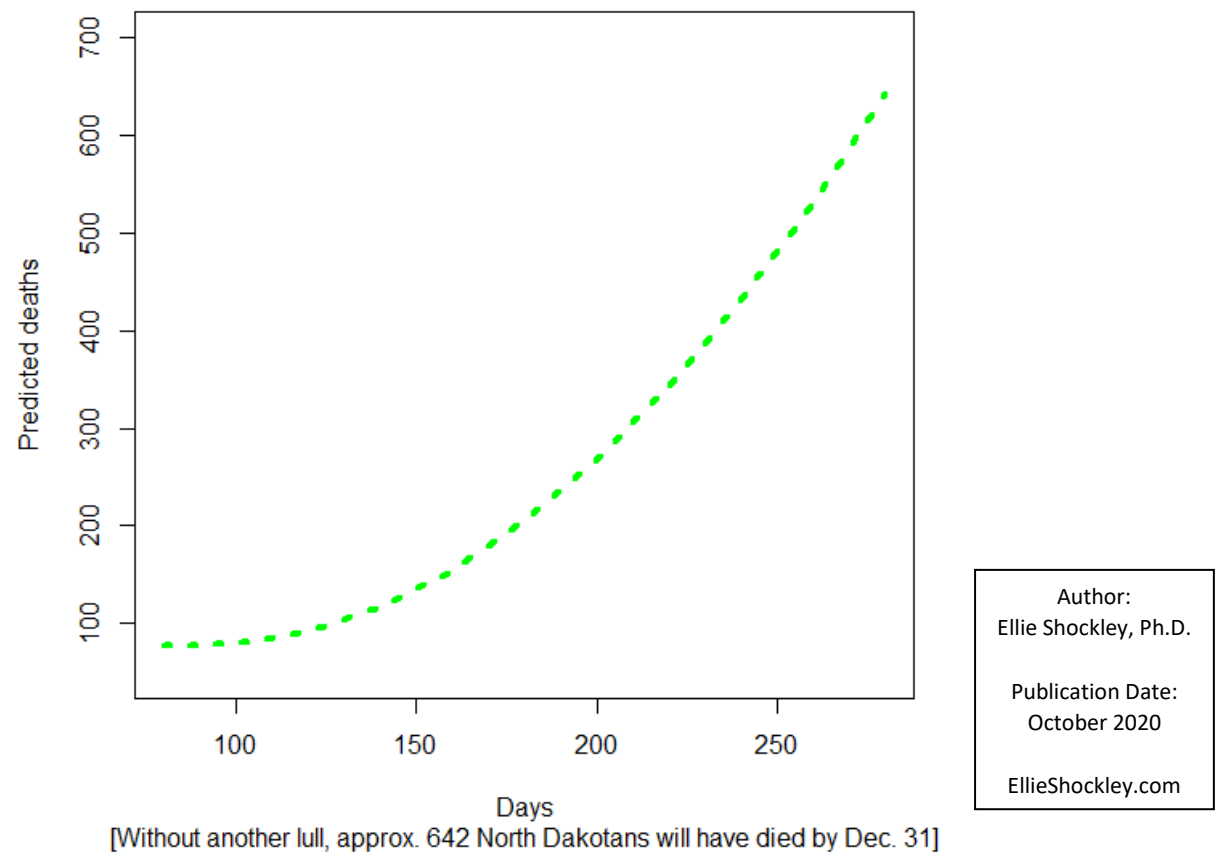

[Without summer lull, deaths through Oct. 3 would total 416 instead of 271]

Fig. 3: Predicted COVID-19 deaths in ND through Dec. 31

[Without another lull, approx. 642 North Dakotans will have died by Dec. 31]
